Welcome

Heritage Fairs are an exciting way for children and youth to engage in Canadian history. Over 6000 students take part in Heritage Fairs across British Columbia!

To take part in Heritage Fair, students:

- Choose a topic of personal interest
- Develop an inquiry question and find sources to answer it
- Present their findings in a Heritage Fair display

Over 300 Richmond students have been working on their Heritage Fair projects over these last few months. Of these students, 65 student ambassadors will represent their schools by presenting their Heritage Fair projects at this year's Richmond Regional Heritage Fair.

These schools are:

- Bridge Elementary
- Cornerstone Christian Academy
- École des Navigateurs
- General Currie Elementary
- Hamilton Elementary
- Homma Elementary
- McMath Secondary

From the Richmond Regional Heritage Fair, 3 students will be chosen as ambassadors of the Richmond region at the BC Provincial Heritage Fair in Prince George in July.
